

The Government of the Republic of Trinidad and Tobago  
**MINISTRY OF EDUCATION**

*Office of the Chief Education Officer*

E: 7/25/77

October 22, 2021.

Mr. Dayne Aguilera  
Country Manager  
WizdomCRM Virtual Stock Market Game

Dear Mr. Aguilera,

**Re: Request for approval for students to participate in WizdomCRM Virtual Stock Market Game**

Reference is made to the subject at caption.

The Ministry of Education wishes to convey approval for Secondary School students to participate in the WizdomCRM Stock Market Game 2021. You are kindly asked to note the following for the implementation of the activity:

1. It must be made absolutely clear to all students, teachers, parents and schools that **students are under no obligation** to participate in the activity.
2. All students, teachers, parents, and schools must be made aware of the cost per student, per month (\$75.00 per month, \$225.00 in total) and to ensure that no student feels pressured to incur the cost.
3. WizdomCRM and its affiliates must note that the Ministry of Education accepts no liability for the cost to students and parents nor will be held liable for any loss of personal assets.
4. Students and parents must be made aware that in order to access the activity, students must be in possession of a PC, tablet or smartphone with internet access.
5. Students should be sensitized to time management skills since the competition's duration is three (3) months and the competition has the potential to become "fierce."
6. Interviews/surveys should be conducted with parents to glean the impact of the activity on their child.

The Ministry wishes to extend best wishes to WizdomCRM.

Kind regards,

**Lisa Henry-David**

**Chief Education Officer**
