1. What are you enjoying the most about the Virtual Stock Market Game?	The competitive aspect within and between schools
2. Please list 2-3 key strategies used in the game, and how you anticipate applying them to real life experiences in the future.	<ol style="list-style-type: none">1. Always do your own research2. Pay attention to trends in the market3. Keep an eye on the competition
3. Is there any feature of the game that you find confusing? If so, please provide specific examples.	The limit to the number of shares that can be bought or sold per trade
4. What is the most valuable thing you learned (knowledge or skills)?	Consistency
5. Overall, how can we improve this training?	I suggest increasing the number of shares that can be bought or sold per trade
6. Testimonial	The Wizdom CRM Virtual Stock Market game gave me an in-depth insight into the way the real stock market works. I've always been interested in stocks but did not know how to go about researching and investing. Now I have a very good idea of the level of research needed and the risks associated with trading on the stock market. I would encourage any teenager to sign-up and compete it will be a life lesson.
